

St John's School Development Plan 2018-2019

Priorities Overview

Effectiveness of Leadership and Management	To develop the role of subject leaders to ensure the school continues to improve in all areas.	To provide an enriched and motivating curriculum which engages all learners and maximises opportunities.	To continue to work collaboratively with the Hub group of schools.	To support the process of recruiting a new vicar for St John's.
Quality of Teaching, Learning and Assessment	To provide a challenging curriculum with quality first teaching and high expectations for all groups of learners.	To further develop the use of peer assessment to support and enhance the learning in core subjects.	To continue to ensure there is clear evidence of consistently high expectations and progression in pupils' books.	To ensure that at least 20% pupils achieve Mastery within core subjects across all year groups.
Personal development, behaviour and welfare	To underpin SMSC by our school values to prepare pupils for the next transition phase in their learning.	To continue to deliver clear attendance tracking procedures ensuring all pupils achieve their potential.	To ensure the wellbeing of pupils and staff continue to promote a safe environment.	To enable pupils to explore faith and spirituality in a safe, creative and interactive way.
Outcomes for Pupils	To significantly accelerate progress in writing for PP pupils to ensure raised attainment.	To ensure progress and attainment of girls' Maths is in line with boys.	To ensure the consistent attainment and progress in all groups' writing across all year groups.	To ensure progress of pupils is more consistent in core subjects across KS2.
Early Years Provision	To provide create an outdoor learning environment which matches the opportunities for learning inside the classroom.	To provide staff and parents greater opportunity to work together to contribute on pupil observations.	To ensure all groups are monitored throughout the year and early identification of needs are put in place.	To induct new EYFS staff with relevant and appropriate professional development.
Community Links & Income Generation	To raise the profile of the school within the local community.	To ensure budget decisions continue to focus on the best outcomes for the pupils.	To continue to develop the school wraparound child care provision.	To provide opportunities for parents, the local community and local business to collaborate with St John's.
