Friday 3rd
March

Line Dancing
Event for
parents/ carers

What a wonderful start we have had to our half term! In all classes we have felt a real buzz of excitement towards learning and have had a whole phase focus on the changes we will begin to see as we enter the season of Spring.

In Nursery, we have been exploring the changes that occur throughout all seasons. We have discussed our own experiences, as well as developing and expanding our vocabulary through the text 'Seren's Seasons'.

In Reception, we have been exploring the book 'Errol's Garden'. We thought about what a garden is used for, developed our imagination skills to think about our dream garden and wrote letters to Errol to offer support in gardening.

On Tuesday to celebrate Shrove Tuesday, we took part in the St. John's annual Pancake Race. Two children from each class were chosen to complete a pancake race; which involved flipping, running and dodging obstacles. We really enjoyed all getting together, showing courage to complete an activity in front of a crowd and demonstrating our team spirit when cheering on our friends!

Messages

Spare Clothes

Please can we ask you to have a look at home for any spare clothes the school has given your child to go home in, as many items have not been returned and our stock of spare clothes is running low!

Please also remember your child should have a bag of spare clothes on their peg every day. Even if your child does not have toilet accidents, we have paint, water and mud and they often need changing. Thank you in advance.

Congratulations to our Stars of the Week

Nursery – Darcie

RE – Alex

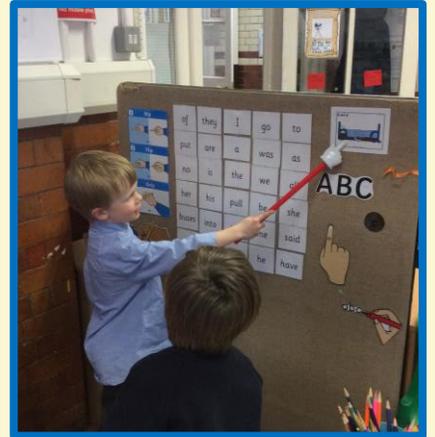

RM – Eloise

Reception

This week

This week, Reception have been making groups of equal amounts. They have enjoyed challenging themselves using other objects and drawing pictorial representations.

Next Week

Personal, Social and Emotional Development

We will be practising turn taking and learning to deal with the emotions that come when things don't go the way we had hoped.

Communication, Language and English

We will be exploring the science topic of plants; discovering what plants need to grow, labelling parts of a plant and describing the difference plants we can see around us. In Phonics we will be reviewing all taught sounds and HRSW.

Physical Development

We will be discussing the importance of exercise and how this affects different parts of our body.

Mathematics

We will begin to use our ability to group amounts to count in 2s, 5s and 10s.

Religious Education

We will be exploring the Christian story of The Last Supper.

Nursery

This Week

This week, Nursery developed their ability to follow instructions when making some delicious pancakes.

Next Week

Personal, Social and Emotional Development

This week we will talk about some of the things we need to do to be healthy, such as move our bodies and eat healthy.

Communication, Language and English

We will be reading books focusing on the garden; from worms to roots, shoots, stems and leaves. We will be talking about the changes that happen with plants from Winter to Spring. In phonics we will learn the sounds ck and e.

Physical Development

We will be challenging ourselves through obstacles courses in the playground.

Mathematics

We will be exploring sharing and grouping objects to five.

Expressive Art and Design

We will be looking closely at plants and having a go at recreating these with different materials.

JUST GIVING FUNDRAISING

As you have seen in the news, a series of devastating earthquakes on Feb 6th obliterated 10 cities in South Eastern Turkey and caused damage in the Aleppo region in Syria

For monetary aid, we have chosen to support donations through *Turkey Mozaik Foundation* which is a UK-registered charity that gives grants to grassroots organisations in Turkey.

Mrs Celikcan works for this organization and trusts its transparency and accountability. The organisation is currently working closely with local partners on the ground in Turkey, and grants from the Fund will be distributed to carefully selected organisations in multiple cycles targeting first emergency short-term needs and subsequently medium and longer-term needs for maximum impact.

You can make donations through:

<https://www.justgiving.com/fundraising/st-john-s-walham-green-cofe-primary-school>

(www.turkeymozaik.org.uk Registered in England & Wales, registration no: 1174968)
