Break up for Easter – school  
finishes at 1.30 **prompt**.

Easter Bonnet parade, 9.15am

### April 18

Return to school

# Eaglet News

As the end of term fast approaches, our energetic Eaglets have not lost their motivation and enthusiasm for learning! There was lots of sensory exploration across nursery and reception this week, which prompted some lovely descriptive language as the children spoke about texture, sight, smells, and the process of changing colours.

On Tuesday, reception children were excited to take part in a 'Pirate Adventure', where they had to work their way across a range of death-defying obstacles. They developed their gross motor skills as they climbed, balanced, jumped and aimed. Luckily no one got eaten by sharks!

### Technology and Physical Development Questionnaires

You should all have received a technology and a physical development questionnaire for your child this week. Thank you to those that have already returned them. We would be very grateful if you could take a few minutes to fill them in and give us some invaluable insight into your child's learning outside of school.

### A Sad Goodbye

It is with great sadness that we bid farewell to our beloved Nursery teacher, Mrs Clarke. She has been at St John's for a grand five years, and has seen many children come through her classroom. She has taught, loved, and cared for each of them.

We wish her the best of luck as she heads off for her next adventure. Goodbye, Mrs Clarke, we'll miss you!

### Stars of the week

Nursery – Emilia

Rec 1 – Isabella

Rec 2 - Rose

# Nursery

## Our learning

### This week in pictures

*Jenson, Sifen and Jude exploring texture.*

### Next week

#### Personal, Social and Emotional Development

We will continue to develop our ability to name and recognise emotions.

#### Physical Development

We will learning how to wash our hands properly.

#### Communication, Language and Literacy

We will be talking about Easter traditions and our holiday plans.

#### Mathematics

We will continue using positional language with beebots.

#### Understanding the World

We will learning about the way Easter is celebrated and its symbols, as well as tasting hot cross buns.

#### Expressive Arts and Design

We will be making Easter cards.

# Reception

## Our learning

This week in pictures

*Brody used precise fine motor skills to thread the number beads onto string.*

### Next week

#### Personal, Social and Emotional Development

We will be thinking about what 'stealing' means and reflecting on our own moral compass.

#### Physical Development

We will be developing our ball skills, controlling the ball with our feet and hands.

#### Communication, Language and Literacy

We will enjoy our final week looking at poetry, and will write our own class poem.

#### Mathematics

We will begin to challenge ourselves with some addition word problems.

#### Understanding the World

We will be learning about Easter and how and why it's celebrated.

#### Expressive Art and Design

We will be extending our knowledge of media and materials through a range of Easter-themed activities.
