Eaglet News

This week, Reception have been immersed in preparations for our upcoming fundraiser. Thank you to all the parents who have responded so positively to our 'Grandparents' Tea Party'. We are really looking forward to sharing a cuppa with the children's 'special adult'.

We spent our week learning about different tastes, and the children were fascinated to learn that we taste with both our tongue and our nose! We had a go at tasting some different sandwich fillings, collecting data to help us decide what sandwiches we'll be making at our tea party. Currently, jam is the clear winner, outperforming poor marmite by a mile!

It was difficult to walk through Nursery this week without being amazed by the incredible structures being created in the construction area. They seemed to get more and more intricate by the day! The children experimented with blocks of different shapes and sizes to create a variety of structures of different dimensions. The children were really engaged in adding detail to their designs, including turrets, chimneys, and windows, and there was lots of collaboration and problem-solving taking place.

Reminders

This half-term's Eaglet fund of £3 is now due. If you have not already done so, please send this in to your class teacher.

Stay and Play

Don't forget that our sign-up sheets are now up. These are in the nursery classroom, or just inside the blue door for reception. Sessions will run on **Thursdays, 9-10am**.

(Please note that siblings are welcome to accompany adults for stay-and-play, but are the sole responsibility of the parent/caregiver.)

There will be 5 slots per class, per week, on a first-come-first-served basis. We look forward to seeing you!

Donations

We are always happy to receive donations of craft materials, and especially scrap paper to meet the children's enthusiastic writing needs!

Stars of the week

Nursery – Roman

Reception 1 – Rayna

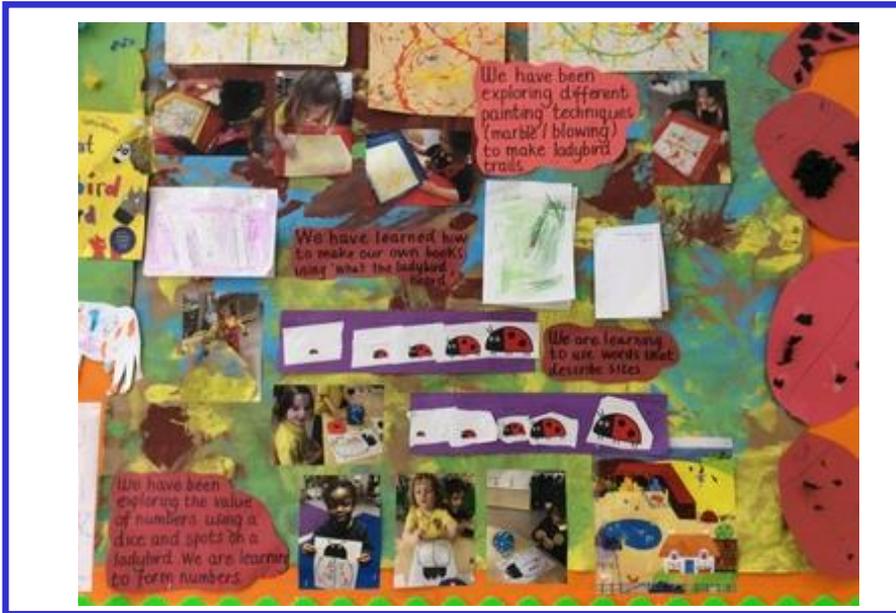

Reception 2 - Daisy

Nursery

Our learning

This week in pictures

Next week

Personal, Social and Emotional Development

We will be thinking about working as a team.

Physical Development

In PE we will continue to explore different ways of moving, such as jumping, skipping, slithering and rolling.

Phonics

We will be playing games to help us recognise rhyme.

Communication, Language and Literacy

We will be talking about our special 'show-and-tell' items and learning to ask questions.

Mathematics

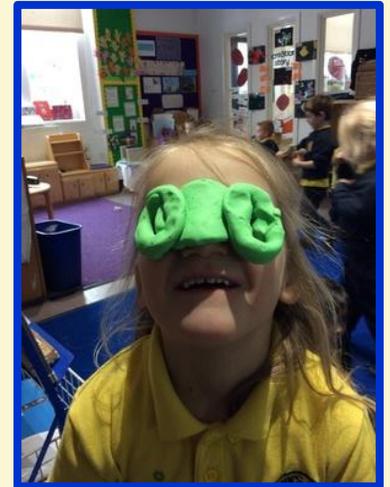

We will be investigating different ways of measuring.

Understanding the World

We will continue finding out about farm produce, and tasting different flavours.

Expressive Arts and Design

We will be making a keepsake to remember our learning from *What the Ladybird Heard*.

Next week

Personal, Social and Emotional Development

We will be thinking about working as a team and how to compromise.

Physical Development

We will be playing games to help us develop our skills in negotiating space and adjusting speed and direction.

Communication, Language and Literacy

We will be immersing ourselves in the book, 'The Tiger Who Came to Tea', and writing shopping lists.

Mathematics

We will be developing our number sense within numbers to 20.

Understanding the World

We will be considering aspects of food preparation, including safety, hygiene and naming ingredients and equipment.

Expressive Arts and Design

We will be creating decorations for our tea party.
