Christmas performance

19th December Butterflies
Christmas performance

20th December Nursery Christmas
performance

Eaglet News

This week in Reception we have continued with our 'Under the sea' theme and have enjoyed reading the book 'Commotion in the Ocean'. We have been writing descriptions on different sea creatures and we have been working hard to order numbers. We have been looking closely at similarities and differences when comparing the different animals that live in the sea.

In Nursery, we have been learning about Autumn and the changes that we can observe in nature. We heard all about the adventures of *Leaf Man* and had a go at making our own leaf men, women, babies, and monsters, with amazing results! Thank you to all those who brought in leaves, conkers, and other treasures.

Eaglet Fund

As it is now the beginning of a half term, the next £4 eaglet fund is due. Please pass this along to your class teacher, thank you.

Reading packs (Reception)

Please ensure that your child's reading record book is signed after your child has read to you. This lets us know that the book has been read and can be changed. In order to increase the children's independence, we encourage the children to put their own reading packs into a box each day. If they have not done this we are not aware that they have brought their reading packs to school, therefore this might explain why some books have not been changed if they are signed.

After School Snacks

Please be aware that we have a number of children in early Years with serious food allergies. NO NUT PRODUCTS are permitted on school grounds, including after school snacks. If you do bring food in to the playground for your child, please be extra vigilant that food and wrappers are not dropped on the ground, as this presents a health and safety risk to our pupils.

Christmas Nativity (Reception)

We have already begun practising for our Christmas Nativity and the children have shared with us whether they would like a speaking part or non-speaking part. Those who have volunteered to speak will receive their line next week so please keep an eye out in book bags so that you can begin practising with your child.

Stars of the week

Nursery – Rumaysa

RO – Oliver

RC – Jayden

Reception

Our learning

This week in pictures

Next week

Physical Development

We will be using our fine motor skills to weave different materials.

Communication, Language and Literacy

We will be looking at the book 'Rainbow Fish' and discussing what makes a good friend.

Mathematics

We will be taking a first look at measuring short periods of time.

Understanding the World

We will be experimenting with colours by mixing them and exploring what colours we can make.

Expressive Arts and Design

We will be printing patterns using vegetables.

Nursery

Our learning

This week in pictures

Splashing in puddles, moving and jumping with pleasure in a range of ways.

Next week

Personal, Social and Emotional Development

We will be revisiting kind hands and feet, and talking about what to do when things go wrong.

Physical Development

We will be using our new name writing templates to practice writing our names.

Communication, Language and Literacy

We will be listening to a range of well-loved traditional tales.

Mathematics

We will be talking about size as we compare items belonging to the Three Bears.

Understanding the World

We will be making porridge and talking about the changes we see.

Expressive Arts and Design

We will be acting out a role to retell a familiar story.
