Parental Code of conduct

We are always happy to welcome parents to Sports Day to support the children and create an exciting atmosphere of the day. We ask that if you decide to attend and support your child, you set a positive example by staying in the areas provided for spectators. This year we will be using Respect Barriers and will position these in order to give you the best opportunity to view your child taking part. Please do not encroach on the running track or other activity areas in order to take photos.

CHOIR!CHOIR!CHOIR!

To some choir members (you know who you are!):

A gentle reminder that you need to be at the black gates into the playground **by 8.20am!** Mrs Baxter was not at all amused at the number of people who came late this week—and nor was I, because it is disruptive and time-wasting. Please turn up on time!

PTFA NEWS

Are you available between 10am and 12 noon on Saturday 17th June 2017? If so, the Green Team need you!

We have various projects coming up at school, so if you can spare either your time or any equipment, we would be most grateful.

Our main focus last term was sorting out the Ivy on the fence, however we require a mix of people with different skills and experience including gardening, joinery, brickwork, painting and of course any one that is just able to give a helping hand.

Please contact the ptfa at: ptfastjohns@gmail.com or let the school office know if you are able to help.

AT SPORTS DAY: 26th May, the PTFA will be running a **refreshments stall**.

Any volunteers to help with this would be greatly appreciated.

Please email Marie at: ptfastjohns@gmail.com

Please remember that school starts at 8.55am **promptly.**

The register is taken at 8.55am in the classrooms. If your child is not in class

at that time they will be marked in as **LATE**. Five minutes late each morning mounts up. It is distracting to the teacher and to the rest of the class.

Art Around the World

The school came alive this week with singing, drumming, chanting, dancing, painting and drawing. Each class has been studying the art of their chosen country and it all culminated in two fantastic assemblies this morning with each year group showcasing their work to each other.

A HUGE thank you to Madame Louis for organising the week and to Mrs Ostler for teaching the drumming and singing. The pictures and film footage will appear on the website shortly.
