DIARY REMINDERS

Wednesday 25th January

Early Years Workshop 9.15am

Reception Class height and weight checks

Friday 27th January

Y6 - Wasted Production
(All Saints School)

RULER WORKSHOP

Thank you to everyone who attended the RULER workshop: 'Introducing the Family Charter' on Wednesday.

If anyone who didn't attend would like the handouts, please speak to Miss Rees or Mrs Abu-Ghaida.

Part 2 of RULER is about the 'Mood-Meter' and the parent workshop is on Wednesday 8th March at an earlier start time of **2:30pm-3:15pm.**

Everyone is welcome to the second session even if you did not attend the first!

SCIENTISTS WANTED!

Calling all scientists! If you are a parent who works in a scientific industry and would be interested in talking to our children about what you do during Science Week (13th - 17th March) then please speak to Miss Reay (Y2).

REMINDER

Parents are not permitted to enter the main school building from the playground at any time.

If you wish to report to the school office, parents must walk around to the entrance on Filmer Road.

Thank you for ensuring our children remain safe whilst at school.

PARENT READER VOLUNTEERS WANTED!

Thanks to the work of several parent volunteers, we now have a very successful parent reading programme running in school. Feedback from both our parent volunteers, staff and most importantly pupils, is most positive and we are keen to continue the programme throughout the year.

If you be interested in committing to a regular, weekly time slot of 45 minutes, reading with pupils either once or twice a week, please let Mrs Abu-Ghaida know (Senco@stjohnsce.lbhf.sch.uk) and she will arrange for the relevant paperwork to be given to you and for a short training session.

SPORTS RESULTS

Hammersmith and Fulham High 5 Netball Tournament: Friday 13th January.

Last Friday night a squad of netballers from school braved the cold to take part in the borough Netball tournament, held at Godolphin and Latymer School. First up they produced a clinical performance to beat Fulham Bilingual School 6-0.

They followed this with another strong performance against Larmenier and Sacred Heart School, but could not find the important goals their dominance deserved, the game finishing 0-0. The team faced strong competition against All Saints and Good Shepherd, narrowly losing both games before finishing with another 2 victories. Eventually the team finished 3rd in their pool of 7 teams, narrowly missing out on the semi-finals.

Fulham College Boys' Transition Tournament: Thursday 18th January 2017

A group of Year 6 boys travelled to local secondary school Fulham Boys College, to take part in their inaugural Year 5 & 6 Football Tournament. They were joined by four other local primary schools in a 6-a-side, round-robin format.

The boys, excited to be representing the school at football, started their first match at a high tempo, demonstrating excellent control and passing to confidently move the ball into space to attack the opposition, eventually earning a 1-0 victory (vs Sullivan). They followed this up with a draw (1-1 vs Queens Manor) and another close victory (1-0 vs Normand Croft), before unfortunately losing their final group match (0-1 vs Melcombe). Their round-robin results of 2 wins, a draw and a loss were enough to take them through to the final where they once again faced a strong Melcombe team.

St John's matched their opponents for much of the game before being beaten 2-0. Proud of their effort and performances, the boys were happy to collect their well-deserved silver medals from Mr Emadi of Fulham College Boys' School.

We are still collecting items for the homeless.

Please send any unwanted toiletries gifts into school. Also needed are pens/pencils and notebooks, tissues, disposable razors, shaving foam and stick deodorants.

Please put donations in the box in the main school office

YEAR 3 TRIP TO THE SCIENCE MUSEUM

Last week on Wednesday our class went to the Science Museum. We explored many places in the museum and learned about some old inventors like James Watt.

We saw his workshop with loads of sculptures and props. We saw steam engines, planes and many other vehicles. We even saw a machine used in the hospitals in the olden times; it was a scanner ! We played some games in the 'Who am I?' section; they were about our body.

After lunch we went to an amazing workshop called 'Feel the Force'. The lady that ran it was very funny and she showed many different types of forces. We got a bit wet on the way back but it was okay because we had a lot of fun !

YEAR 2 TRIP TO KIDZANIA

On Wednesday Y2 were lucky enough to go to Kidzania for the day. All the children had lots of fun trying out different jobs including firefighters, shop keepers, chefs, musicians, footballers, delivery workers and many more!

YEAR 6 POPPY MUSEUM TRIP

On Tuesday, Year 6 went to the Poppy Museum in Richmond. When we were there we learnt about why poppies are so special and why they are used to remember those who died in the wars.

Then we went around the factory and saw the poppies and wreaths being made – they are all hand-made by the workers. We then got to make our very own poppy.

We have been reading a book about the 1st World War called 'Stay Where You and the Leave'.

That is why we went to the poppy factory. It was a great trip.

Blue Tie Awards

- Y1H Rayan Z** For his excellent effort in writing. Rayan always tries his best when writing. He was able to write a sequel to our story of 'Traction Man is Here', after carefully planning a beginning, middle and end for Traction Man's new adventure.
- Y1DH Summer A** For working extremely hard in class this week. Showing great independence in maths and confidence when telling the time to o'clock and half past.
- Y2O Xavier K** For being a great role model on our trip to Kidzania this week, being polite, respectful and following our school rules throughout.
- Y2R Markus L** For working hard to tell the time during maths lessons and greater participation during lessons.
- Y3C Poppy M** For following class rules and instructions closely, for always focusing and persevering in Maths and for recent excellent work in the group poem activities.
- Y3P Lou M** For really trying hard, which in turn has made her confidence grow.
- Y4P Harry M** For completing his work quickly and demonstrating determination during her tasks.
- Y4S Sophia S** For great collaborative work and boundless enthusiasm for her reading and writing.
- Y5W Charlie E** For an enthusiastic approach all week especially during our trip to the science museum.
- Y5M Bailey C** For increased focus and asking questions to develop a deeper understanding of his learning.
- Y6F Anastasia O** For working hard in maths especially on fractions, decimals and percentages. And being able to explain her working really well and solve complex problems.
- Y6CR Brandon S** For his improved attitude to his learning this week and for doing a great job representing the school at football.

EARLY BIRD MONTH

January 2017

It is very important that your child arrives at school on time every day. The main gates are open from 8.30am each morning.

If you arrive at this time you must wait with your child in the playground until 8.45am. Your child must be in school by **8.55am**.

ATTENDANCE - Our Target is 96%

Our Average this week is 94.6%

Class	% Attendance	Lates
