How the races work:

- Eight films of actual horse races will be projected on a big screen throughout the evening, each with eight numbered horses.
- Place a bet at the tote table on whichever horse you think will win the race.
- You can bet as many horses as you like, as many times as you like.
- You will be given a ticket for each bet. Hold on to this, you'll need it to claim your winnings.
- When all bets have been placed, the race will be shown and the winner displayed.
- If your horse is the winner, collect your winnings from the tote table.

If you would like to volunteer to help with the arrangements of the event or help out on the night, please email **Marie Price** at ptfastjohns@gmail.com and let her know how you would like to get involved.
